

Fair Oaks Ranch Home Security Checklist

7 Things to Check to Keep Your Home Safe in 2025

- 1. Doors and Windows – Are all entry points reinforced with deadbolts or sensors?
- 2. Security Cameras – Are your cameras visible and functioning?
- 3. Fence/Gate – Are side gates and backyard fences properly locked?
- 4. Wi-Fi Network – Is your home network secure with a strong password and WPA3 encryption?
- 5. Spare Keys – Are you relying on hidden keys instead of smart locks?
- 6. Outdoor Lighting – Is your property well-lit with motion-activated lights?
- 7. Alarm System – Do you have a professionally monitored alarm system with mobile alerts?
